

Letter from the President

Dear Fellow Members:

Many good days remain in the golf season, so don't miss some additional late fall rounds at the beautiful ICC.

The Board will be meeting this month to finalize and approve our 2020 budget. I'd like to thank Larry Bradshaw, Tom Boucher and the Finance team for all of their focus and due diligence in the process this year. With membership and revenue challenges, it has become increasingly difficult to build a balanced budget. Using a realistic forecast for revenue and containing expenses, without adversely affecting services to members, we are able to contain our dues to a modest increase for the upcoming year. The team has worked extremely hard to keep it as minimal and fiscally prudent as possible.

With that said, we must significantly add to our membership count for 2020. We are continuously looking at ways to rejuvenated golf course and our activity around the clubhouse. So over the winter month's we ask for your help in spreading the word to seek out new members and ask them to join. We are looking for new activities that came be established within the clubhouse to draw our membership and new members together during the long winter months. The board looks to you the member, so feel free to reach out to any of us with suggestions and input. More member participation ensures the long term health and stability of the club.

This year and next year we will continue to make major upgrades to the golf course and the equipment. We continue to try and make strides to make improvements. Our concentration for next year will be on the seventh hole. Improve the landing area between the 100 marker and the 150 yard marker. The course is also in need of a new fairway mower. This is not cheap. We will be looking into purchasing a new one over the winter.

The course conditions over the year were up and down, but for the most part survived the weather. The greens continue to be the best around. This all could not have been possibly without Brian Lafontaine and his great crew. Great Job!

Again, we would like to put forth a GREAT BIG **“THANK YOU”** to our Matt Thibeault, Golf Professional, our kitchen staff and of course our members! Without you this past season would not have been possible! Whatever golf means to you, we are excited to have you as part of our Intervale family. Think SPRING - and we hope to see you soon!

The holiday season is almost upon us. On behalf of the entire Board of Directors at ICC, we would like to wish our entire membership and their families a very safe and happy holiday season.

Sincerely,

Michael Lencki Jr.
President, Intervale Country Club

“The more I work and practice, the luckier I seem to get.”
