Please be aware that the Monday, Wednesday and Thursday night leagues are completed before July. This allows our membership even more access to those days and times during the summer months.

If there is anything I've learned over the last year is that some people like tee times while some people like first come first serve (FCFS). The pandemic has reintroduced the word "hybrid" to a non golfer's vernacular. Consider this as ICC's hybrid to provide the membership with an enjoyable golf experience.

If there is anything I can do to help you, please don't hesitate to ask or call me at 647-6811
